Estimado Cliente,

Nos complace enormemente darle la bienvenida a nuestro catálogo Optimus Fiestas Patrias 2022

La colección 2022 incorpora nuevos diseños, en los que usted encontrara todos los elementos que conforman nuestra identidad, y nuestras tradiciones, para celebrar a México. De igual manera, podemos fabricar figuras a la forma que usted nos indique y así entregarle un proyecto 100% individual y específico a sus necesidades.

Quisieramos recordarle que nuestro servicio incluye una revisión personalizada de sus requerimientos, fachadas avenidas y plazas con el objetivo de desarrollar, en base a nuestra experiencia en el ramo, un proyecto innovador de decoración para esta temporada tan importante para el público.

Nuestras figuras 2019 van acompañadas de una nueva estructura ahora mucho mas ligera y resistente, que facilita enormemente las maniobras de montaje, desmontaje y almacenamiento, cuidando así su presupuesto.

Gracias por su atención y esperamos contar con su confianza y que nos permita demostrarle la calidad de nuestro servicio esta temporada de Fiestas Patrias.
